

CONTRACTOR LICENSE REGISTRATION FEE----- \$ 15.00

Subject to Renewal at Time of License Expiration-New Registration Form Information & Copies Required.

Note: Any regulated activity started prior to the applicant securing the permit, will be charged an additional administrative charge at the same rate as the required permit fee not to exceed \$100.00. This shall be paid prior to the issuance of the required permit.

Building Permit - Construction Fees

New construction, additions & alterations values shall be based upon the greater of # 1 OR # 2 as follows:

1. Valuation data found in the quarterly "Building Official & Code Administrator Publication" and as amended 5/8/03
2. Actual cost of construction when special features and upgrades not typical of normal construction are used.

Permit Fee Calculation Information - Single Family Dwelling

1. The adjusted gross area modifier is 111 for new residential only (as amended 5/8/03)
2. Plan review is charged by square feet (see chart below)
3. An additional \$80.00 fee is charged for inspections
4. The reinspection fee is \$80.00, payable prior to additional inspections for that permit

Setback/Grade Permit Required - New Residential Construction

\$ 100.00 for the 1st acre plus \$25.00 for each additional acre

(Exception: Metes and Bounds parcels five (5) acres or larger with single-family residential uses.)
