BUSINESS LICENSING INFORMATION

Businesses are the driving force behind economic growth, jobs, and goods and services here in Grand Blanc Township. The Township has adopted a Business Licensing Ordinance to provide the best fire, police, and administrative services to those that help keep our community in motion. The goal is to keep the staff and patrons safe at these businesses as well as fostering relationships with the community.

Business Licensing benefits include:

- Police and fire departments will have the most up-to-date business owner and alarm contact information, helping you protect your assets.
- The ability to upload a list of hazardous materials that you may have on site, giving police and fire departments critical information for addressing an emergency and keeping the community safe.
- You can update your information at any time—such as emergency contacts, management changes, or other important details.
- Free business exposure! A public listing of businesses will be listed on the Township's website for the community to view.

Business Licensing Ordinance No. 2025-2 was adopted by the Board of Trustees on October 14, 2025, and will become effective January 1, 2026. A copy of the ordinance is available for public viewing at the Clerk's Office or on the Township's website at www.grandblanctwpmi.gov/542/Business-Licensing. The annual Business License fee is \$60, and renewal notices will be mailed each January for licenses due to expire that year. If there is a change in ownership a new Business License will be required as licenses are non-transferable. Please submit your Business License application with payment by March 1, 2026.

For the 2026 implementation year, you can apply for your initial Business License online by visiting www.grandblanctwpmi.gov/542/Business-Licensing, completing the fillable form on our website or return the one included with payment to the Township office. It is strongly encouraged to apply online at this time, as all subsequent renewal notices will be sent through the online portal. Your application will be reviewed by the Clerk's Office, and we will notify you if any additional information is needed. All communication—including approval of your Business License and any follow-up requests—will be sent to the email address we have on file.

This is a new process for all of us, so we appreciate your patience as we work through it together. If you have any questions, please email henry@grandblanctwpmi.gov or call the Clerk's Department at 810-424-2600 ext. 2906.

Sincerely,

David B. Robertson
