COMMUNITY PARTNERSHIP SIGNS

The Crime Prevention Unit of Grand Blanc Twp. has been working with our community partner, Action Traffic Maintenance/MI Highway Sign to create a new Crime Prevention roadway sign for our community! These signs, posted prominently in your neighborhood,

will serve as warning to criminals that our community is working together to push out crime. Each neighborhood in the Township can purchase their own 12x18 inch signs from Action Traffic and have them installed by our DPW for free. These high quality, reflective signs are \$15 each and the post can also be purchased. Please contact Andrew Piper at

(810)210-3127 or Piper@ActionTraffic.net for more info.

Or in person:
